Site guide**How WRAP Exams works**

A printed walk through the public desk. On the site, tap Guide at the bottom right.

Open WRAP Exams

WRAP Exams is a public previous-year question desk for UPSC, UPPSC and BPSC. Each question has one page and one URL. Syllabus-wise and year-wise are two indexes that open that same page — they do not copy the answer onto a second address.

After you create an account you land on the exam home and the on-site Guide starts on its own. Skip closes it. Guide, at the bottom right, starts it again. While it runs, only the highlighted control and Skip or Next take clicks. This PDF is the same walk with more room to read.

1. Choose your exam

Top of the home page: UPSC, UPPSC or BPSC. Pick the exam you sit. The rest of the page follows that choice. UPSC is the Civil Services exam. UPPSC is Uttar Pradesh PCS. BPSC is Bihar PCS.

2. Mains or Prelims

Two buttons in the header. Mains is written papers. Prelims is the objective paper. Switch here before you open questions.

3. Syllabus-wise

In the header: Syllabus-wise PYQ. Questions sit under official syllabus topics. Open a topic, then open an answer.

4. Year-wise

In the header: Year-wise PYQ. Questions sit in exam order for that year. Use this when you want a paper, not a topic.

5. Daily news

In the paper bar: Daily news summary. Short morning notes from the news, with Prelims and Mains views. Open the link in that bar.

6. Daily PIB

In the same bar: Daily PIB summary. Press Information Bureau notes for the day. It is a separate list from daily news.

7. UPPCS

Tap UPPSC on the exam chips, or go to wrapexams.com/uppsc/. PCS previous questions live here. There is also a free Prelims test series for 2026 in Hindi and English — timed papers, PYQ and trend-based questions. Leave a mobile if you want a WhatsApp when it opens.

8. Download the answer

On any WRAP answer page, Download PDF saves that answer. The walk shows it on a GS-3 2025 Mains answer.

9. Topper copy

Some answers also have a scanned topper copy. On the live site this is currently the GS-3 2025 question on terrorism as a global scourge. The button sits next to Download PDF.

10. Daily practice

Header: Daily practice, and the flame. Log in once a day. The number is how many days you came back.

11. Wrap AI

Header: Wrap AI. This is the Mains evaluation desk. It is not open yet. You can join a waitlist with a mobile number.
