Daily news summary**ADB Loan Chennai Urban Water Infrastructure Project**

UPSC Civil Services • 22 August 2026 • Prelims and Mains

[Open on wrapexams.com](https://wrapexams.com)

WHY IN NEWS

- India signed a \$230 million loan agreement with the Asian Development Bank to upgrade Chennai's water and sanitation services.

WHAT IS THE PROJECT?

- An urban resilience initiative to modernize water supply and climate-proof sanitation infrastructure in Chennai.
- Jointly funded by the Asian Development Bank and the Government of India.

KEY EXECUTION TARGETS

- Construction of a comprehensive ring-main water delivery network to maintain uniform water pressure across municipal zones.
- Upgrading existing sewage pumping stations and expanding piped supply connections to unserved urban households.

WHY IT MATTERS

- Enhances urban climate resilience against extreme weather, severe droughts, and coastal flooding.

KEY TERMS

- **Ring-Main System:** A continuous loop water distribution pipe network that allows supply from multiple directions to maintain constant pressure.

PAPERS

GS3
