Q6

(a) It is said that for an ethical work culture, there must be code of ethics in place in every organisation. To ensure value-based and compliance-based work culture, what suitable measures would you adopt in your work place? (b) India is an emerging economic power of the world as it has recently secured the status of fourth largest economy of the world as per IMF projection. However, it has been observed that in some sectors, allocated funds remain either under-utilised or misutilised. What specific measures would you recommend for ensuring accountability in this regard to stop leakages and gaining the status of third largest economy of the world in near future?
